

Take a look at the future of engineering. Visit one of our recruitment events.

Cobham Mission Equipment already leads the world in air-to-air refuelling technology. In fact, so far we have delivered more than 2,000 'nose to tail', air-to-air refuelling systems to our international customer base. We are currently developing fifth generation refuelling systems, including unmanned-to-unmanned systems. Now the strength of our international order book, as well as significant investment in technology and facilities, mean that we need to strengthen our team. Join us at one of our upcoming recruitment events and you'll have the chance to learn more about our work, our plans for the future and the wide range of roles we have available.

**Yeovil: Yeovil Court Hotel, 2 February 2012, 1-8pm – [Click here](#)**

**Southampton: Chilworth Manor, 8 February 2012, 1-8pm – [Click here](#)**

**Bristol: Holiday Inn Filton, 15 February 2012, 1-8pm – [Click here](#)**

We're looking for engineers from a range of backgrounds to boost our expert teams, as well as aerospace specialists and other support professionals, including: Software Engineers, Systems Engineers, Design Engineers, specialist aerospace engineering roles (including Stress, Airworthiness, Weights and ILS), Project Managers, supply chain professionals, quality roles and IT roles.

#### **Cutting-edge engineering and Wimborne – the perfect combination**

Cobham Mission Equipment operates from one of Cobham's three principal locations in the South of England which are all benefiting from significant investment. Cobham plc employs 10,000 people worldwide and over 400 of them work at our site in Wimborne, Dorset, following a £15 million investment. Join them and you'll enjoy the chance to combine working in a leading-edge, dynamic, technology business by day with, perhaps, exploring the New Forest National Park or enjoying the water sports in the world's second largest natural harbour in your free time. We also offer relocation assistance to help you move.

To learn more about careers with Cobham, or to find out more about the upcoming recruitment events and the benefit and relocation packages on offer, please visit the events page at [cobhamcareers.com](http://cobhamcareers.com) or email [crt.uk@cobham.com](mailto:crt.uk@cobham.com) or call 01628 498120.
