

Join the Authority in Aerospace Machining Lunch and Learn Event 25th January 2017 (10:00 - 14:00)

Meet and See:

- AMRC's Aerospace Machining Master Speakers
- Live Cutting Tool Demonstrations on Aerospace Materials
- Tour around our Hyper Technology Hub
- Meet the Experts and share your Machining Challenges
(Book your ½ hour slot with the experts between 14:00 – 17:00)

Register online at <http://www.weaf.co.uk> or call us on +(44) 01189 795200

Event's Agenda:

- Reception: 09:45 – 10:15
- AMRC's Aerospace Machining Presentations: 10:15 – 11:45
 - Mr. James Needham:
Latest Developments in the Machining of Nickel Alloys - Engine Components
 - Mr. Chris Bellamy:
Research and findings on Titanium Machining - Aero-Structures
- Live Cutting Tool Demonstrations on Aerospace Materials using High Efficiency Machining Strategies: 11:45 – 12:30 pm
- Tour around our Hyper Technology Hub: 12:30 pm – 13:15
- Lunch: 13:15 – 14:00
- Meet the KYOCERA SGS Experts and share your Machining Challenges: 14:00 – 17:00

Our Collaborators and Partners will be ready to support you and provide you with Technical Advice on site.
