Upgrading for the future

Our new facility is located in Avonmouth and has a fully racked 24,185 sq ft warehouse area with +2,000 pallet positions. We are able to offer storage and local contract logistics services such as pick/pack and distribution along with a Warehouse Management System.

This is a multi-modal site offering Air, Land, Ocean, Customs Brokerage & Warehousing value added services.

We have a very knowledgeable and customer focused team that supports our local and global customer base.

Our services in Bristol at a glance

- Contract logistics & storage
- Multi modal freight services – Air, Land, Ocean & Customs Brokerage
- Container loading / unloading facility
- Daily delivery to 38 European countries via Land
- Highly trained staff
- High security with full camera coverage of the entire area and guard system
- Solar panels installed
- ISO 9001 & ISO 14001 (2015 Standard)

Value Added Services

- VMI Services
